Whatever there is to be said of the present Omaha police force, it must be conceded at least that it operates to a close collection of the fines and licenses and to a consequent increase of the city rel. This, of course, created considerarevenue.

This entire work davolves upon one officer who was detailed to the duty shortly after Marshal Cummings' accessdied so suddenly Monday morning, were ion, and who has since held the position. He Officer John Ternbull is the man upon whose broad shoulders the mammoth task amount due for the last quarter. night it occupies him with an energy of movement which even to-day brought the perspiration in beads to his brow.

"Pretty warm," said he, as the re-porter accosted him. "Pretty warm for "We'll admit the point, but what are you doing rustli g around so violently.'

McCu loch in the county court yesterday, and pick up some peddlers who have neglectd to come to the front.' In default of incidental news the conversation turned upon the officer's general du'ies and their full character will prove new and interesting information to

large portion of the public. The heaviest revenue comes from the liquor business. There are now 143 saloons in the city which under the Siocumb law pay a thousand dollars each annually. Thus the city turns over to the school board from this source alone a handsome little purse. The second installment for '85 has been paid, and the third is due on the 11th of next month. There is not a delinquent saloon in the

Gamoling and the social evil follow close upon whisky with a liberal tribute. There are five gambling houses in the city, the proprietors of which pay \$27.65 monthly. The sports and frequenters of gambling rooms are not taxed, but the boss is supposed to include their privileges in his payment. One hundred and fifty-four women contribute to the public funds, and in this particular the police have become notably vigilant. It is no evidence that prostitution is increasing in Omsha that the cash receipt from that source will this month reach for June, etc, with a steady advance every month, but it signifies that the subjects for taxa ion are more extensively brought to light. The women of the vicious element are now thoroughly ter-Julius Puls, ac used by John Meyer of rorized, and many in fear of the monthly committing an unproveked assault upon him, raids have presented themselves as voluntary members of the fine list. The fear of the cops has in many circles of depraylty grown to absolute demoralization, and proves one of the best reform-

ing influences at work in the city. There are fifty-five peddlers in the city who turn over an annual \$30.

Two hundred and twenty expressmen goods for the public.

The fruit stands, six or seven in number, are called upon to forfeit \$5 00 of their monthly earnings. It is believed Joinfle. by those who have paid any attention to the situation that this import is some-

Three auctioneers are levied upon for an annual one hundred so that they can obstruct the streets with household some of the residents in the vicinity of the bawl like mad without fear of molesta-

There are also ten men, known as drain layers, who have secured from the city the exclusive right to tear up the Then the thester license requires of

\$100 every seas n A circus is bled \$250 with an extra \$25 for side show and \$10 fer each lemonade and peanut stand in connection therewith. The city usually makes about three hundred dollars every time a big tent show thousands.

\$5 00 monthly. Medicine men, street venders and the the public pockets by the sovereiga power of their remedies, the seductive ness of their oratory and the merit of their wares are assessed at \$2.00 per day. Even the great and only Madame Dufos

hundred cents every day. It is a big job to gather in all these itens of revenue, but when the receipts are aggregated it makes a splendid aum for public expenditure.

is us exempted and has to put up her two

A Union Meeting.

There will be a union service at the Baptist church next Friday, Sept 25, at of their flour being the sale ress in for 7:30 p.m , at which Rev. J A. O'Connor will lecture on the "Reformed Catholic Movement." Admission free. The State Register has the following report of the meeting of the Ministerial association of Des Moises, Monday, Sept 14:

"The Ministerial assocsation held their second meeting for the new year in the Y M. C A rooms yesterday morning. The attendance was rather larger than usual and all present seemed to be enthused with a new spirit by their rest of the ceremony, the cuple took the east usual and all present seemed to be enthe summer. The most of the meeting was occupied by R v. J. A. O Connor, editor of the Caverted Cashele, who gave an inter-sting account of his work In the city visiting his old friends. He has a tended through the ocunity leave of absence of several weeks.

The basis of the work is purely spiritual and the of ject is the presentation of Jesus Christ alone and His Gospel only as the salvation of slopers. The talk was straightforward and manly and listened to with the closest interest. It

threw light on points of vital bearing in Resolved, That the thanks of this asacciation be bereby tendered to Father was done a certain gentleman who oper-O'Connor for his instructive address; a es as a spiritual medium at No. 1512 sprinter, and W. A. Gregg, the champion

upon its continuance and unfolding.

That Garbage Contract, John Peterson, the garbage contractor, whose contract with the city expired on unregenerate creek. The publication of and then R as gradually closed up on the lat of September, is continuing the the arrest in these columns has proven him. From that on it was nip and tuck.

he says he was not paid enough, his conhe says he was not juid enough, his con-sgreed to reciff the erroneous impressamount of money changed hands over tract being for only \$3,500 a year. When he began to hank he had trouble in get- tion. water, iron, wood, and even sahes, which were dumped promisecuously into the barble kicking on the part of numerous persons, but owing to the extravagant demands made upon him he was unable to

please everybody, especially in such a large city as Omsha. He claims that the city is treating him unfairly, also, in offering him only \$500 instead \$887.50, the of gathering in the municipal imports is does not know any reason for this action, laid. Summer and winter, day and because he has fulfilled his contract to the letter. It is true that he gave his driver permission to collect ten cents a week, or whatever people pleased to give him for removal of garbage from barrels placed in inconvenient places, or where it was necessary to make trips through the front yard gate, on account of there being no back yard en rance. If there has been anything further than this done, "I have several long trips to make to Mr. Peterson says that he is willing to investigate the matter, upon proper com-

Let Every Man KNOW WHERE HE STANDS

In this life it should prove an important point to man to know facts. If he is imposed upon he should know it at once and at once find a preventive if there is one. How often does the case present itself where man tolerates an imposition through confidence; how after is man imposed upon through ignorance of what he is dealing in. If you are interested enough to want to know where you stand visit THE ONLY MISPIT CLOTHING PARLORS, 1119 Farnam street, and Inspect those Merchant Tailor Missit and Uncalled for Clothing Garments, get different prices, and on the whole make a comparison of what you have been paying for therame, or in proportion, and you can plainly see where you stand in providing your clothing.

You Find Can
